About Live2Test 2023

The Premier Conference for Software Testing

As we have always been desirous to build a **social platform** for software testers and people who are interested in **testing** and **quality assurance**, we have created our social brand and motto, **Live2Test®**! Live2Test® is a social platform, and **a series of events** for testers to communicate, to share, to teach, to learn, to consult, to develop and to socialize. Live2Test® is a **social platform** to get testers out of their comfort zones and make them interact.
